DALLAS 180 VICTIMOLOGY PROFILE

Detective Hillary Jansen

DALLAS PD BRIEFING- HOW TO HELP

The FBI may be in charge of the Dallas 180 Task Force, but they have to use the PD for lots of large operations to canvas neighborhoods, provide protection services, etc. This briefing is to explain who to look for and why.

Having lost the daughter of the Chief of Detectives, we cannot and will not leave you out!

CONFIDENTIAL

- We are not playing. Leaks will be investigated and the source will be TERMINATED. You all signed in for this briefing and if you were paying attention, as cops should, you will see that you agreed that you have been fully apprised of this condition and the ramifications.
 - There are NO paper copies of this presentation
 - Do NOT answer any questions from ANYONE, up to and including the Governor of the state.
 - REPORT unusual or repeated attempts to get information on the task force or the UNSUB- from within and without the PD
 - Be suspicious
 - Know what to look for
 - Take jobs assigned without asking questions we will not answer
 - And please, still accept that we value you and your help.

 - Be Careful
 - Assume armed and dangerous
 - Assume smart
 - Try not to let your suspicions show
 - Stall
 - Be sure you have all the demographics
 - Get a picture
 - Call it in with a 'Code 690'. That has been designated for an alert related to Dallas 180

 - KEEP YOUR MOUTH SHUT until contacted by a supervisor or task force member
